

**Tibbiy va biologik fanlar kafedrasini xodimlari tomonidan 2017 yilda
nashr etilgan ilmiy ishlar ro'yxati.**

№	Ilmiy ishlar mavzusi	Chop kilangan	Nashriyot, oynoma, yili, mualliflik guvoxdomasi	Beti	Muallifdoshlar F.I.Sh.
1	2	3	4	5	6
Kafedra mudiri, dotsent Nuralieva X.O.					
1.	DEGREE OF DIRTY MOBILE PHONES WITH MICROBES	Chop etilgan	“Xalq bilan muloqat va inson manfaatlari yili” ga bag‘ishlangan talabalar ilmiy jamiyatining an’anaviy 74- ilmiy anjumani materiallari Toshkent. 2017, 173-174 betlar	1	Nuralieva X.O., Nazarova F.
2	Rezultaty izucheniya vliyaniya gaznykh lekarstvennykh sborov iz rasteniy na vsxojest mikroorganizmov	--/--	Materialy Respublikanskoy nauchno-prakticheskoy konferensii “Infeksiya i lekarstvennaya rezistentnost” Tashkent.,2017. Str.153	1	Nuralieva X.O., Boltaeva K.Sh., Shakirova D.N. Dusmuratova F.M. Maqsudova S.A.
3	O stepeni mikrobnoy zagryaznennosti mobilnqx telefonov	--/--	“Tibbiyotning dolzarb muammolari” Resp.ilmiy-amaliy konf.materiallari. Urgench, 2017. 281-282 bet.	1	Nuralieva X.O., Nuraliev F.N.
4	Analiz i otsenka posezenny dinamiki pokazateley ximicheskogo sostava vody nekotorykh vodoxraniliщ Uzbekistana	--/--	Gigiena i Sanitariya. Jurnal. Rossiya, №2 Tom 96.,2017, Str 148-151	4	Almatov B.I. Nuraliev N.A., Nuralieva X.O.,
Dotsent Abzalov A.A.					
1	Interpolimernye komplekсы na osnove natriykarboksimitilsellyulozy- nositeli nanochastis	Bosma	Nauchnoe obozrenie, biologicheskie nauki.scientific review.biological sciences.№2. 2017	3.5	Inagamov S.Ya Kayumxodjaeva F.S Abzalov A.A.
2	Nauchnye osnovy innovatsionnykh texnologiy obucheniya meditsinskix predmetov	Bosma	Lambert academic publishing germany-2017, 138 pages Monografiya	138	Bagdasarova E. Abzalov A.
3	Sulfur importance in the manufacture of invironmentally pure product from medicinal plants	Bosma	Topical issues of new drugs development vol.1 April 20, 2017 kharkiv P.50	1	Ashurov S.H. Abzalov A.A.
4	The way of applying nitrogen fertilizersa in the	Bosma	Topical issues of new drugs development vol.1	2	Ayubov. D.K.

	maintenance cynara scolymus contributing to the reduction of environmental pollution		April 20, 2017 kharkiv P.51-52		Tukhtaev R.T. Abvzalov A.A.
5	Value of using of carbamide – formaldehyde fertilizer in decreasing of environmental pollution	Bosma	Topical issues of new drugs development vol.1 April 20, 2017 kharkiv P. 69-70	2	Hamdamova D.M. Tukhtaev R.T. Abzalov A.A. Nurmukhamedov A.A.
6	Reduction of environmental pollution by regulating the water regime of globe artichoke	Bosma	Topical issues of new drugs development vol.1 April 20, 2017 kharkiv P. 63	1	Dodiev A.M. Abzalov A.A. Nurmukhamedov A.A.
7	The influence of mineral nutrition of the production of ecologically pure biologically active substances of globe artichoke	Bosma	Topical issues of new drugs development vol.1 April 20, 2017 kharkiv P. 61-62	2	Djabbarbergenova N.Sh. Abzalov A.A. Nurmukhamedov A.A.
8	Important to keep the use of mineral fertilizers environment	Bosma	Topical issues of new drugs development vol.1 April 20, 2017 kharkiv P. 98-99	2	Matyakubova Sh.O. Abzalov A.A.
9	Climate changes and carbohydrate exchange in leaves of a wormwood whitish	Bosma	Topical issues of new drugs development vol.1 April 20, 2017 kharkiv P. 135	1	Umarova F.B. Kenjaeva N.D.
10	Potreblenie sergi artishokom kolyuchim v razlichnykh pochvennykh usloviyax uzbekistana	Bosma	«Aktualnye problemy meditsiny» materialy respublikanskoy nauchno-prakticheskoy konferensii posvyayonnoy 25 letiyu osnovaniya filiala Toshkent, Str. 231-232	2	Abzalov A.A. Madaminova M.A. Shakirova D.N.
11	Biomedical aspects of Ca^{2+} /cAMP regulation of signal systems by phytoestrogen ferutinin	Elektro n jurnal	Materials of conferences (munich, germany, 31 october - 5 november 2017):«education and science without borders» «Fundamental and applied research in nanotechnology»	2	Charishnikova O.S., Sukhanova I.F., Zamaraeva M.V., Alimdjanova L.I., Abzalov A.A.
12	Study of acute toxicity of scutellaria iscanderi l. Herbal tincture	Elektro n jurnal	Materials of conferences (munich, germany, 31 october - 5 november2017): «education and science without borders» «Fundamental and applied research in nanotechnology»	3	Ismailova P.L., Ismailova M.G., Abzalova N.A., Abzalov A.A.
13	Investigation of the hypotensive activity of	Elektro	Materials of conferences (munich, germany, 31	3	Ismailova P.L.,

	scutellaria iscanderi l. Herbal tincture.	n jurnal	october - 5 november2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»		Ismailova M.G., Abzalova N.A., Abzalov A.A.
14	Investigation of the sedative activity of scutellaria iscanderi l. Herbal tincture	Elektro n jurnal	Materials of conferences (munich, germany, 31 october - 5 november2017): «education and science without borders» «fundamental and applied research in nanotechnology»	2	Ismailova P.L., Ismailova M.G., Abzalova N.A., Abzalov A.A.
15	The mycological structure of serozem soils of the surkhandarya area of Uzbekistan	Elektro n jurnal	Materials of conferences (munich, germany, 31 october - 5 november2017): «education and science without borders» «fundamental and applied research in nanotechnology»	2	A.A.Abzalov, B.K.Mukhammadiev
16	Nitrogen balance of carbomide-formaldegide fertilizers in different soil conditions	Elektro n jurnal	Materials of conferences (munich, germany, 31 october - 5 november2017): «education and science without borders» «fundamental and applied research in nanotechnology»	2	Abzalov A.A, Turakulov A.A, Abzalova N.A.
17	The content of nitrogen compounds in leaves and its consumption by wormwood whitish	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Abzalova N.A., Yusupalieva K.B.
18	Balance and transformation of various forms of nitrogen fertilizers in soil	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Adilov M.M., Yusupalieva K.B.
19	Using artemisia leucodes schrenk and increasing the effectiveness of nitrogen fertilizers on typical gray soil and gravelly typical gray soil	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders»	2	Abzalov A.A., Djuraeva M., Yusupalieva K.B.

			«Fundamental and applied research in nanotechnology»		
20	Methods of reducing environmental pollution when growing artichoke prickly.	Elektron jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November 2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Kadyrova D.E., Tukhtaev R.T.
21	The value of sulfur and its ratio to nitrogen by a coefficient its using by wormwood whitish	Elektron jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November 2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Latipova E.A., Abzalova N.A.
22	Influence of various forms of nitrogen fertilizers on the biosynthesis of photosynthetic pigments in leaves artemisia leucodes schrenk	Elektron jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November 2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Latipova E.A.
23	Effect of coordination compounds of microelements of copper and cobalt on the efficiency of nitrogen fertilizers using by wormwood whitish	Elektron jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November 2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Madaminova M., Yusupalieva K.B.
24	Ratio of nitrogen to sulfur as an indicator of the need of wormwood whitish to sulfur	Elektron jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November 2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Nurmukhamedov A.A., Abzalova N.A.
25	Synara scolymus l. Ingestion of prickly nitrogen of various forms of nitrogen fertilizers and their importance in obtaining environmentally friendly products	Elektron jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November 2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Turakulov A.A, Adilov M.M.,
26	The content of total sulfur and its consumption by wormwood whitish	Elektron jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November 2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A., Yulchieva M.T., Yusupalieva K.B.
27	Nitrogen balance of carbamide-formaldehyde	Elektron	Materials of conferences (munich, germany, 31	2	Abzalov A.A.,

	fertilizers in automorphous and hydromorphic soils in uzbekistan	n jurnal	october - 5 november2017): «education and science without borders» «fundamental and applied research in nanotechnology»		Yulchieva M.T., Yusupalieva K.B.
28	Influence of various forms of nitrogen fertilizers on the growth and development rates of artemisia leucodes schrenk	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Abzalov A.A, Madaminova M., Yusupalieva K.B.
29	Influence of various forms of nitrogen fertilizers on growth and development of sophora japanese	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	Atabaev M.M. Abzalov A.A.
30	Cellulose-destroying soil micromycetes of uzbekistan and influence of some factors on cellulolytic activity and saccharifying ability of trichoderma harzianum	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	B.K.Mukhammadiev, A.A.Abzalov
31	Study of the system content of microelements in fruit organs of the perspective cotton varieties	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	F.N. Pirakhunova, A. Abzalov.
32	Interrelationship of catalase activity and transpiration intensity in fruit organs of perspective cotton varieties	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	F.N. Pirakhunova, A.A. Abzalov.
33	Yeffectiveness of microelements and stimulator of diacetatmonoethanolamine on growth and development of perspective cotton kinds	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	F.N. Pirakhunova, A. Abzalov.
34	Obtaining environmentally pure biologically active substances of artichoke prickly by regulation of its mineral nutrition	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	F.S. Kayumov., S.A.Khodzhimetova, A.A.Abzalov
35	Biologically active substances of some	Elektro	Materials of conferences (Munich, Germany, 31	2	S.Kh. Zakirov,

	perspective medicinal plants of Uzbekistan	n jurnal	October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»		Z.Sh.Mukhidova, A.A.Abzalov
36	Environmentally safe plant pesticides	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	3	S.Kh. Zakirov, Z.Sh.Mukhidova, A.A.Abzalov
37	Influence of lagovin preparation on vascular-platelet hemostasis comparing with dicinon	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	3	Turaeva D.T., Abzalov A.
38	Nitrogen correlation to sulphur as indicator of artichoke prickly need for containing sulphur	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	A.A. Abzalov, M. Atabaev
39	Influence of soil provision with phosphorus and nitrogen fertilizers on bioelectric potentials	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	A.A.Abzalov, Sh.Zh.Nuriddinov
40	Dependence of water exchange ofartichoke prickly on its standing thickness	Elektro n jurnal	Materials of conferences (Munich, Germany, 31 October - 5 November2017): «Education and science without borders» «Fundamental and applied research in nanotechnology»	2	A.A.Abzalov, M.Shodmanov
41	Znachenie primeneniya serы v poluchenii ekologicheski chistogo produkta artishoka kolyuchego	Elektro n jurnal	Jurnal «Nauchnoe obozrenie. Biologicheskie nauki»№ 3 2017g,str.5-9	5	Abzalov A., Djuraeva M., Nazarkulov M.
42	Vliyanie mineralnogo pitaniya na fiziko-ximicheskie svoystva kletochnogo soka listev	Elektro n jurnal	Jurnal «Nauchnoe obozrenie. Biologicheskie nauki» № 3 2017 god, str. 10-13	4	Abzalov A., Латырова E.

	artishoka kolyuchego
